The following motion will be voted upon at the 2015 Annual General Meeting. According to Article Section 3.1 of our Memorandum, it is stated that:

Dues may only be set at an Annual General Meeting of a General Meeting and are to include, but not limited to, the club registration fee, black belt registration fees and kyu belt registration fees' and following notification thirty days prior to the Annual General Meeting, or General meeting and passage of the proposed Dues Change with a two thirds majority of those present.

There will be no refund of dues to a member withdrawing or having been expelled from the organization. Every member club shall pay the annual club dues and all of the dues for its students and instructors.

Motion: Karate Canada has been increasing their fees over the years and now for KNS to sustain our association based on our current numbers, roughly 100 Dans, 800 Kyus and 25 Clubs, the board would like to adopt a 5 year plan to increase fees that have not been adjusted since the 1980's. The board would like the membership to adopt the follow proposal for adjustment to annual dues and submission date (registration date). The proposal is to make changes gradually over a period of 4 years.
