## 2017-2018 Season

Two joint team training sessions (the first and last) were held at Halifax Ryuseikan, all others were separate for Kata and Kumite. Six additional Kumite workouts were held this year at Halifax Ryuseikan Dojo and were led by Mitch German, Karen Armour, San Fung-German, Jeff Murphy and Greg Da Ros. Eight additional Kata workouts were held at the Windsor Karate Club and were led by Dave Griffin and Shannon Doane.

## 2018-2019 Season

Nationals will be two separate events this year, one for Seniors and one for Juniors. Currently Jan/Feb 2019 is slated as the Senior Championships and May 3-5 2019 for the Junior Championship. This will adjust the how the team program is established this year. At this point no workouts or coaching staff have been finalized. It is the hope that over the next couple of weeks a schedule and tryout notice will be available.

A communication will also be circulated soon, as KNS will be bringing the World Champion Douglas Brose back for a weekend clinic in November!
