Great food – we will get you fed too.

Great People – You get to meet the judges, athletes and other great people.

- Rotation – more volunteers we get, we can rotate on the computers or as caller.

- MINOR Training, to be done over next 10 months so we are all comfortable before then. Only 30 minutes of your time to learn system.
- Over 14 yr old athletes are welcome to participate too. Even if not going to Nationals, you can be there to help! Plus cheer on your friends.
