Annual General Meeting - 2022

Membership Report

Covid-19 continues to have its impacts. We saw a 14% drop in membership so far in 2022 compared to 2021, which already experienced a 20% drop from 2020. We had 2 2021 dojos (Halifax Karate & Shoto Ryu Jutsu) not reregister for 2022 but saw the return of Digby and Young's. As of May 6th, 2022, we have received membership from 22 dojos resulting in paid registration of 815.

We continue to use Martial Member which has helped in the membership tracking process. It is still a challenge with the dojos to remember the timelines on renewal. Also, it is important for dojos to remember we need accurate data to support planning of events and programs, as well as funding applications.
