We continue to work on foundational items, build out more of the governance model, continue to document policies and set terms of reference for committees; host events, and grow our development programs for athletes, officials and coaches.

The rest of the AGM reports should fill in the gaps, no need to steal their thunder.

On behalf of the association, I hope we did you proud this year, and that you will continue to support Karate Nova Scotia in the coming year!

If at any time you find yourself in need or have questions on guidelines, available funding, programs, etc . do not hesitate to reach out to someone on the KNS Executive and Board or send email to info@karatens.org.

Stay safe, healthy, train hard and stay engaged!

Check out the end of the report for recent KidSport program stats; you can see that it continues to have an impact on karate.

Yours in Karate
