

KARATE NOVA SCOTIA

Sport NS Coordinator Report

Annual General Meeting - 2024

As the incoming Sport NS PSO coordinator, I have not had much time working with KNS, but the hard work and dedication from the Board of Directors, Technical Director and Provincial Coach is clear.

This year we have also made significant progress towards achieving our annual outcomes and complying with provincial eligibility criteria. This achievement is a testament to the hard work and dedication of our board members, coaches, and athletes, who have worked tirelessly to showcase the talent and skill that exists within our province. With this momentum, I am confident that we will continue to build on our success and promote the growth and development of karate in Nova Scotia.

In the coming year, I look forward to continuing working with the Board of Directors and Staff to continue our work on creating and updating policies, offering clinics and courses, and assisting in tournament hosting.

Aidan Devine

Sport NS PSO Coordinator - Karate Nova Scotia, Boxing Nova Scotia, and Cross-Country Ski Nova Scotia
