SUBJECT: Thank You for Attending the SENSEI SEBA CONFERENCE

Hello,

Thank you for joining us at this year's **SENSEI SEBA CONFERENCE**. The conference was a great success and we hope you have walked away with some valuable information and ideas to benefit you as a coach.

As a follow-up to our conference, we would like to encourage you to continue your learning and professional development through the National Coaching Certification Program (NCCP). When you take an NCCP workshop, you'll not only gain technical abilities, but also mentoring and decision-making skills.

NCCP workshops are designed for all types of coaches. Whether you're thinking about coaching your child's community team or you're already the head coach of a national team, the NCCP has workshops to meet your needs.

To find out when and where NCCP workshops are taking place near you, visit your provincial/territorial sport website or [provincial/territorial coach education organization](#) for more information!

Reach Higher! NCCP training will open doors to new opportunities in coaching and in life.

Yours in Karate
